Thanksgiving Fun Facts!

*Americans eat 46 million turkeys each Thanksgiving!

*President Benjamin Franklin wanted the turkey to be the national bird of the United States, NOT the bald eagle.

*The first Thanksgiving feast was eaten WITHOUT forks! They didn't become popular until the 18th century.

*Wild turkeys turn blue when they feel happy and red when they feel angry or frightened!

*Wild turkeys can run up to 20 miles per hour when they are scared!

*Only male turkeys actually gobble. Females make a cackling sound.

*Not everyone eats turkey! 88 percent of Americans eat turkey and 12 percent eat something different on Thanksgiving Day.
